

Aim

Our Parent Group is a forum for parents/ whanau/ caregivers, to meet informally & to provide practical assistance and support to Otatara students, their families, and school.

Our meetings present the opportunity to learn more about the school, discuss issues, ask questions and give feedback. We also actively fundraise, for valuable resources, to “provide the best possible learning environment for our children“.

We welcome any support you can give us. Please feel free to contact us to become a committee member or to go on our “**Helper List**”. If you can’t make meetings but are willing to give us a helping hand, we’re always looking for extra helpers for a few hours and especially for larger events.

Meetings

Meetings are held, monthly, during the School term, on Tuesday evenings at 7:15pm, in the School Library. They are advertised in the School newsletter.

Our Committee Members 2011/2012 are:-

Chairperson	Karen Thompson	2131239
